

WCBKA ENDORSEMENTS POLICY

The WCBKA does not recommend or endorse any supplier or product.

The WCBKA may notify members when they are entitled to a discount or where they benefit from a particular supplier or product promotion. This notification is not to be regarded as a recommendation or endorsement by the association.

Through the WCBKA bulk purchasing activities members will benefit from reduced prices for items such as varroa treatments; fondant; syrups; foundation and jars. Such bulk purchases are selected based on general criteria most notably price. Selection of a supplier or product for bulk purchasing should not be regarded as a recommendation or endorsement by the association.
